Dedication

Our Parent Teacher Association had its beginning in 1924 long before the beginning of the atomic era. Mrs. Pearl S. Ireland, deceased, whose picture appears on this page with those of the other presidents, served as its first president.

Through the years this association of interested parents and teachers has provided nuclear energy in their generous support of the physical and intellectual growth of the Altamahaw Ossipee School.

It is with pride and thanks that we dedicate this 1953 edition of the TOMAHAWK to the ALTAMAHAW OSSIPEE PARENT TEACHER ASSOCIATION AND ITS LEADERS.

PRINCIPAL'S MESSAGE

I salute and congratulate you, Class of '53. In this atomic era in which you have been thrust, I wish to remind you that the presence of the atom and of hydrogen is not new. It's possibilities have been here since the Infinite set things in order, but man has only recently "tapped" upon it. This new era is but a reminder that there are many new and exciting worlds left for you to conquer.

We bid you good-bye with love and hope believing that when your energy is released upon society even the atom will be influenced.

CLASS SONG

(Tune - The Marine's Hymn)

From the halls of A. O. High School
 To the shores of lands unknown,
 We are atoms giving our farewell,
 To the neutrons and protons.
 We already know that we shall face
 Times of conflicts and of strife,
 But dear A. O. gave us confidence
 That will guide us through our life.

We have gone together through the years
 Through laughter and through tears.
 We cherish every memorable thing
 That we're leaving behind us here.
 We now give our thanks to every one
 Who has led us on our way.
 But, as for you, dear A. O. High School
 You are in our hearts to stay.

We Were The Atomites of 1953

Traveling around in a rocket recently, we sped over a place that was very familiar to us all. We were looking upon our dear Alma Mater. Here it was that we shared experiences together, most of them good; some, bad. It was here that we experienced the days of high prices, tragic years of World War II, the dreaded Korean situation, and the election of General Dwight D. Eisenhower as our national leader. Many of our electrons fell by the wayside, some of our protons and neutrons disappeared into the mysterious realm of space, but the nucleus remained--remained to develop the atoms.

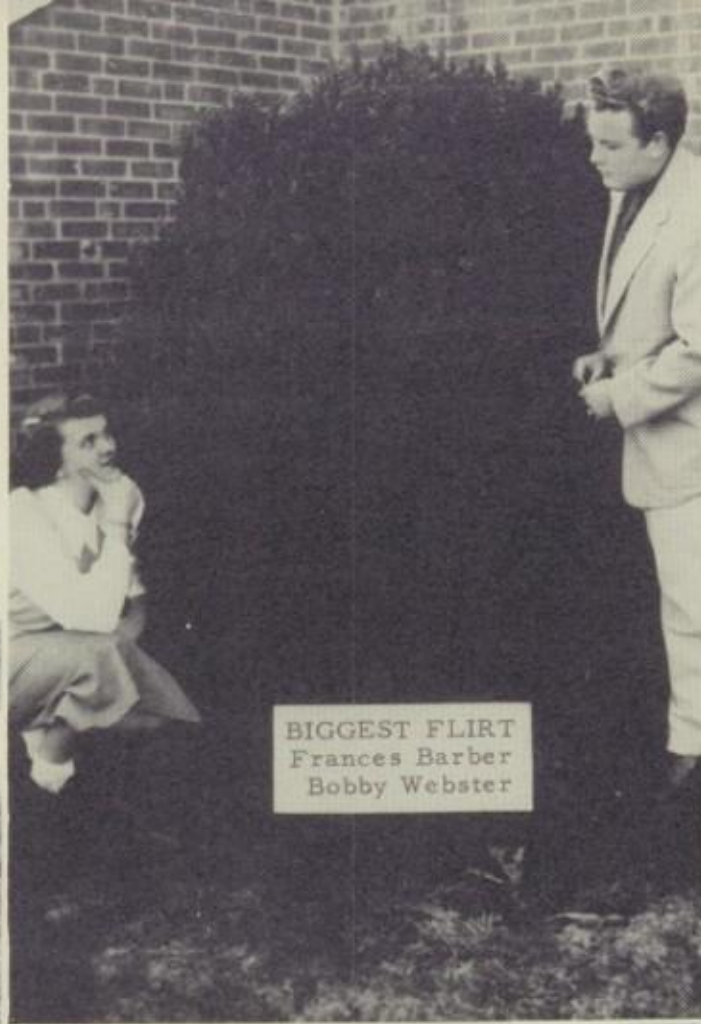

We enjoyed A. O.'s numerous activities. We rendered our services to the Student Council, to the Hub and to the Tomahawk staffs. We participated in sports, enjoyed an adequate physical education program, took part in dramatics, and music, and became members of various clubs. We saw a dream come true--we witnessed the beginning and completion of the Marvin E. Yount Gymnasium. Our gratitude of love and appreciation was expressed by our gift to the school--four cross-goals added to our new gym.

This, we feel, was only the beginning of a growing education. This was the foundation--a firm foundation--for our first goal of achievement. Our hearts linger fondly on the students, the teachers, and the principal who contributed so much of their ability, patience, time, and understanding so that we, the Class of '53, may go out into this world, able to face this speeding time of Atomic Energy unafraid.

Student Council

Our student government provides the uranium for the atomic blast. We feel that the Student Council bombards the nucleus, giving velocity and power to our school program. It is the aim of the Council to encourage each student to take his important place in the Altamahaw Ossipee School.

SCHOOL SONG

Dear school of ours, so beloved,
Our hearts to thee we now pledge.
By thee we always will stand
And heed each one of thy commands.

We have many wondrous truths
That thou has given to us,
Great hopes so bright
That fill us with delight.

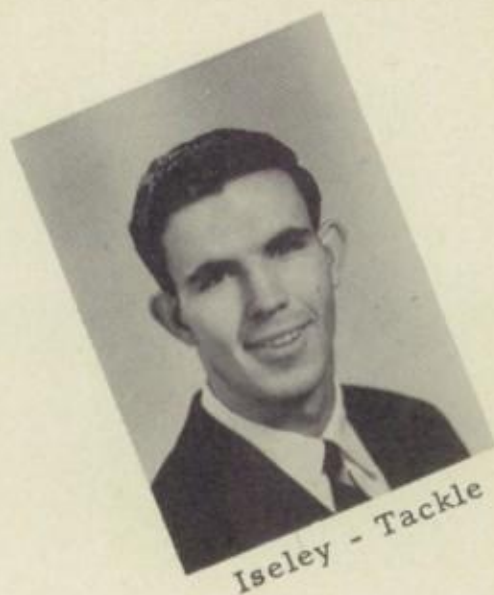

As we go along our way
Here's to our dear A-O school,
Loyal we'll ever be.
Our colors of white and blue
Will always show that we are true.

Though years may come and go,
Still will our memories cling
To our dear A-O school,
Loyal friends and teachers too,
And we'll always sing thy praise.
